WATER AND SEWER REPORT

Joint Municipal Water and Sewer Commission and E. A. Services are still partnering with the Town working with Kevin and Bubba with our water. If you see flushing from our hydrants that is a routine schedule that they are doing to keep the water moving in our community. You will see this periodically.

STREET MAINTENANCE

Carlton Moore had 12 trips to the landfill, grass cutting and basic clean up chores. Councilman Luongo, asked When Bubba is cleaning tree limbs, if that is a service the town provides to town residents. Bubba's indicated it was done in the town so that no one would burn in town or impact one's breathing and the elderly, people who could not haul them off. Therefore, the town volunteer. Mayor, clarified it is small debris that can be placed in a bag for pick up. Councilman Martin shared with Luongo and council we did have some guidelines with the limbs to be less than 3 feet long. Councilman Luongo wanted to know how the
