The meeting was called to order by Mayor Jerald Sanders at 3:30 PM. It was held at 320 West Third Street, Swansea, SC 29160. All media notifications were sent out and properly posted at town hall and the police department.

Art Williams of Resourceful Consulting Management was introduced as he reviewed the budget for the Town of Swansea for 2021-2022. He indicated it was in fact a good budget as it was no wasteful spending. It minimized increases which was an indicator of good management which benefits the citizens. The increases in the budget are necessary for the town.

The budget for 2020-2021 set the stage for the 2021-2022 budget. The numbers on the budget are from a spread sheet from data on the Quick Book System on expenditures as of record. Therefore, the numbers can't be made up.

Councilman Luongo stated the budget on page 8 showed to be out of balance by \$72,405.

Mr. Williams informed Council an amendment could be made with the final numbers corrected on the budget. This however, would not stop the First Reading of the Budget because it could be in Title Only.

Councilman Luongo asked for additional information to review through Mr. Williams.

Mayor Sanders asked, if there was a motion to adjourned the Work Shop to move into the Special Council General meeting at 4:00.

The motion was presented by Councilman Luongo and seconded by Councilwoman Simmons
